WHAT WE DO IN TRAINING
ROOMS. VIRTUALLY.

THE PAINLESS PEOPLE MANAGEMENT PROGRAMME. ONLINE LIVE.

96% of those surveyed post-programme said they would 'definitely use' the tools and techniques and 'would recommend' the training to other managers!

PRACTICAL & PUNCHY WORKSHOPS

Online Live, Interactive Workshops: Our Different Approach:

- **Because no-one ever said “I wish that training had lasted much longer, had loads more business models, buzzwords and clichés in it and had just used stuff I could have found online!”**
- Our online live, interactive workshops combine the style of a 'TED talk' with step-by-step techniques and tools: short bursts of learning in two hours or less
- No role-plays or gimmicky ice-breakers. People generally hate them!
- We don't fill time with academic, unusable business models
- We give you practical stuff rather than generic pieces of 'advice' or cliché one-liners!
– telling you to 'empower' people isn't really that helpful!
- We don't use the bog-standard agendas you may find elsewhere! Our techniques are often not found in textbooks (where competitors often copy theirs from) and are focused on what actually works at work
- Energetic and inspiring sessions that won't distract you to your phone!
- We train what we know works and what we and others have successfully used
- All in plain-English: we work hard to minimise buzzwords and corporate-speak
- **FREE 'Total Recall' handout and access to online summaries with key techniques/tips to help reinforce learning plus 'two weeks on' memory-joggers.**
