

LIGHTBULB PERFORMANCE

'No-Fluff' One-Day Teambuilding for Overnight Results

- Our **'One Direction'** days are about getting everyone together, mixing the business end with personal development to get everyone on the same page and focused on results.
- Typical morning agenda activities include any of the following:
 - *Business update*
 - *Vision & values work*
 - *Agreeing challenges/strategy*
 - *Designing metrics/KPIS*
 - *Our unique approach to help everyone move from doing 'stuff' to claiming achievements!*
 - *Group work for engagement: What should the org be doing more or less of?*

- The afternoon is about the 'how' – a **personal development session** around how to build and improve relationships at work to help achieve goals
- Using a psychometric self-awareness tool to help understand how I & others tick
- Tips/tricks to help get on with those who 'aren't like you'
- Reduces conflict at work & improves relationships
